Re : **INVITATION TO CONSULTATION MEETING FOR LED STRATEGY**

In an attempt to carry out the local government's mandate, Victor Khanye Local Municipality considers it a good practice to review the current LED Strategy 2013-2018 with a view of developing a new LED strategy aligned to the Mpumalanga Local Economic Development Framework (2019) that sets out a step and step guide that has a strong economic development focus aimed at poverty alleviation and orientated towards pro-poor economic growth.

It is against this background that you are invited to the aforementioned consultation meeting for the reviewal of Local Economic Development Strategy. The meeting is scheduled as follows:

Date: 15 September 2020

Time: 10:00

Venue: Council chamber

Please take note that due to covid-19, all attendees should wear a mask and will be screened and sanitised as per the precautionary measures
